Education Program

Dear Parents and Carers,

NAPLAN

Congratulations to all of our Year 3 and Year 5 students who completed NAPLAN assessments over the last two weeks. Students demonstrated great stamina and generally felt comfortable and well prepared for the assessments. We hope with NAPLAN being held earlier and all completed digitally, we will receive our results sooner and will let everyone know when they become available.

Energy Drink Warning

This week there have been a lot of reports in the media warning against the dangers of a new energy drink on the market, 'Prime'. These energy drinks contain high levels of sugar and caffeine and are not recommended for children. There are two different types of 'Prime', Prime Energy and Prime Hydrate and neither are recommended for Primary aged students. Prime Energy is actually banned in Australia, however can be purchased online. All energy drinks are not allowed at school.

Influenza

Over the last week we have had a quite a number of students who have been unwell with influenza A. This is quite serious and while we encourage school attendance, it is also extremely important that when your child is unwell, they stay home and rest. This is so they obviously have the time to get better, but also to reduce the potential for others to also become ill. If your child is away, please remember to inform the school as to why. We are required to record why students are absent, so it is important that we have valid reasons .

Allergy Awareness

This week, students from Years F-4 attended an Allergy Awareness session that was presented by Jackie Nevard from Food Allergy SMART Education Program. The session was specifically designed for students of this age level and helped reinforce the precautions all of us should make to keep ourselves and those around us as safe as possible and reduce the risks for allergy sufferers.

GRIP Leadership Conference

On Tuesday, Ben, Mr Lynch and our four School Captains attended the student GRIP Leadership Conference at the Melbourne Convention Centre. This is a well-recognised course, with 3000 students attending the Melbourne session alone. The day provided our students the opportunity to meet and participate in activities with student leaders from other schools and hear about what leadership role they have in their schools. We look forward to hearing more from our captains and how they are going to bring back some of their learnings to KHPS. (see feedback on page 3)

Easter Raffle and Last Day Term 1

Thank you to PFA for organising an Easter Raffle, which will be drawn at our special assembly on the last day of term, next **Thursday 6th April 2.00pm. All students will be dismissed at 2.25pm.**

Your child should have received a page of raffle tickets and explanation yesterday from PFA. If they did not, please call the office on 9336 1739.

Year 3-6 Cross Country

Next Tuesday 4th April, students from Year 3-6 will be participating in our school Cross Country event, which will be held at Steele Creek. We encourage students to come dressed in their House colours, (still suitable for running). The emphasis is for all students to participate, try their best for their personal goals and for their school House. Qualifying students will then move onto the next level.

Year 1/2 Open Afternoon

Next Wednesday afternoon the Year 1/2 classes have invited parents, carers and or grandparents to attend their Open Afternoon where they will be show casing the work they have done throughout the Term. The students are very excited about interviewing family members about their childhood experiences and playing some old fashion games.

ANZAC Day

This year Anzac Day falls on the second day of Term 2, Tuesday 25th April which is a public holiday. Our local RSL is holding their official service on Sunday 23rd April. So that schools are able to contribute to the service, Moonee Valley City Council have organised for schools to send in Art works, which will be on display at **Kellaway Avenue Neighbourhood Centre.**

Miss Scott has been working with our students to produce artworks that we can contribute to the display.

Enjoy the weekend
Victoria Graham

Oval Works Continue!

The GRIP Leadership was a fun experience. I learnt so many ways to become a better leader , and heard many ideas on how to make our school a better place. In all I thoroughly loved the experience and what it had to offer.

Georgia O

I really enjoyed the GRIP Leadership program, because I got to learn a whole lot of ideas and tips to become a better leader for my school. I learned how to work with peers and become an others first leader.

Diya K

Being at the GRIP Leadership was a very enjoyable experience, I took a lot from what they thought us. It was very fun especially when a kid did the splits.

Cooper L

On Tuesday I attended a leadership conference with the other school captains. We were one of 217 schools who attended the event at the Conference Centre. We did a bunch of fun activities throughout the day that helped us learn how to be better leaders. I learnt what makes a good leader including putting others first, listening to others and to always try and see the positives. I also learnt how to get people engaged and want to be involved in ideas and events. I really enjoyed this experience and look foreword to using what I have learnt to be the best leader I can be.

Layla W

KHPS House Cross-Country/Buckley District Interschool Cross-Country Trials (Years 3-6)

Dear Parents and Guardians,

This year's **KHPS House Cross-Country/Buckley District Interschool Cross-Country Trials** for students in years 3-6 will take place on Tuesday, April 4th. On this day, all students and teachers in years 3, 4, 5 and 6 will walk down to Steele's Creek/Spring Gully Reserve in Keilor East (near Valley Lakes) to complete either the 2km run (10 years old this year and younger) or 3km (11 years old this year and older).

Students turning 10 years old or under in 2023 (born 2013, 2014 and 2015) will complete 3 x laps of approximately 670m (2km).

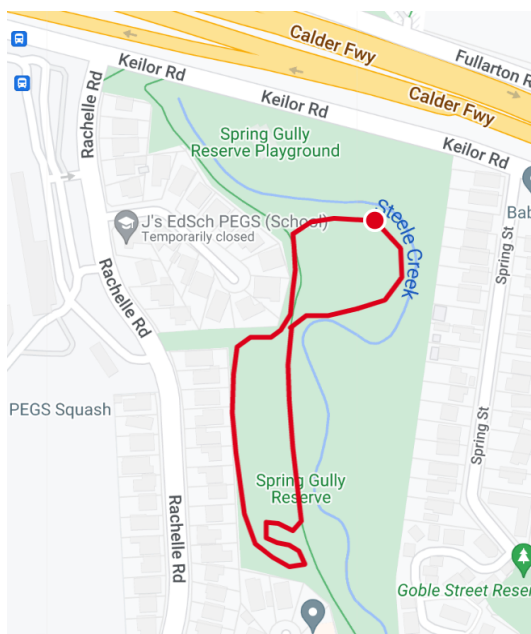

Every lap completed of the circuit will earn house points, in addition to extra points being awarded for the top 10 finishers, which will go towards awarding the House Cross-Country Shield for 2023.

The event is also a qualification opportunity for students (top 6 in each age group/gender) who are keen runners and have ambitions to represent KHPS at the Buckley District Cross-Country Event which will be held in Term 2, Week 2 at Brimbank Park..

Students may have different goals on the day but the focus will be on having fun, being active, and doing their best to run/walk as many laps as they can in the allocated time.

On the day, Year 3/4 students (10 years and under) will walk down with their teachers promptly at 9.10am and return to school at approximately 11.00am. Year 5/6 students (11 years old and older) will walk down with their teachers at 10.15am and return to school at approximately 12.00pm.

In the case of students in Year 4 who are turning or have turned 11 in 2023, or Year 5 who are turning or have turned 10 in 2023, students will be asked prior to the day to choose whether they want to run for fun (and walkdown) with their class/peer group, or run to compete and trial for interschool cross-country (and walkdown) with their age group.

Students turning 11 years old in 2023 (born 2012) and students turning 12 or 13 years old in 2023 (born 2010 or 2011) will complete 4 x laps of approximately 750m (3km)

Age	Start/End time
10 and under girls (Generally Years 3 and 4)	9.40-10.10
10 and under boys (Generally Years 3 and 4)	10.15-10.45
11 years old- girls and boys (Generally Yr 5)	10.55-11.25
12/13 years old- girls and boys (Gen Yr 6)	11.30-12.00

You will previously have signed the local walking excursion permission form which is sufficient for students attending this event. A reminder was sent out via Compass recently to a small number of families who had not given consent and this needs to be actioned prior to the day.

Students are encouraged to wear appropriate clothing for physical activity that also displays their house colours. If your child does not have anything to wear, face paint, headbands, hair accessories etc. are alternative ways to demonstrate house pride. Students will

need to take a water bottle and sun smart hat along to the event, and are encourage to apply sunscreen prior to coming to school.

Parents and guardians are welcome to come down and spectate but will need to remain at the assembly area/start & finish line while students are competing in their events.

Some parent helpers may be required so if you are able to provide assistance throughout the morning then please let Mr Matton know in person or via Compass beforehand.

If you have any questions please don't hesitate to get in contact with Mr Matton.

EASTER FEST

WEEK 1: 10 Apr 23 - 14 Apr '23

MON 10 APR | PUBLIC HOLIDAY

Big Childcare is offline today due to the public holiday. Our cast are resting up after having a few too many Hot X Buns and Easter Eggs. Never mind, they will be back after the easter long weekend.

WEEK 2: 17 Apr 23 - 21 Apr '23

MON 17 APR | DUDE PERFECT

\$75

Trick shots, crazy sports and epic challenges to make your mates go WOW! Just like the dudes from Dude Perfect, we'll be having a nationwide challenge to see which centre can land the most perfect shots!

TUE 11 APR | EGGSTREME

\$75

It's Easter time, so that can only mean one thing... Eggstreme fun! You can expect egg decoration, Easter themed games and of course a BIG easter egg hunt! So get Egg-cited for a day of chocolate fun!

TUE 18 APR | MOVIES

\$75 + \$30

Settle inn the corns a poppin', the movies where the bus is stoppin'! The lights are dimmed, and the screen is set for a fun for all ages movie. Check with your centre manager to see what we'll be watching today!

WED 12 APR | ARCADE & BOWLING

\$75 + \$40

Calling all gamers, stretch those thumbs and switch on as we step into the world of virtual reality and head to the local arcade to battle those bosses, catch the coins, go on an adventure or take a spin to win!

WED 19 APR | THE BIG COOK

\$75

Today is all about cooking! Our in house MasterChefs will be running an interactive cooking workshop where you get to learn, create and make delicious food to... And guess what, you get to eat it too!

THU 13 APR | STUFFLERS

\$75 + \$20

Today the Stuffers Bears are coming to our centre, you will get to choose your very own plush toy, you can name it, stuff it, make it a costume and even take it home with you as a new friend to add to the collection!

THU 20 APR | LUNA PARK

\$75 + \$45

It's our annual BIG day out to Luna park, and we have the whole park to ourselves! Ride the Scenic Railway, face the Twin Dragons or for the smaller ones hop on the carousel. Luna Park is always a favourite for everyone!

FRI 14 APR | BIG SPORTS DAY

\$75

Start stretching and warming up because today's session is going to be ACTIVE! From sack races, to relays and long jumps. We'll make sure everyone is included on this super sporty session!

FRI 21 APR | ROLLER SKATING

\$75 + \$30

Roll up roll up for a roller skating derby at the local roller ring! It's an action-packed day to show off your skills on wheels. Never skated before? That's okay, we'll show you how and teach you something new!

CAMP QUALITY'S CANCER EDUCATION PROGRAM HAS BEEN BOOKED TO VISIT YOUR PRIMARY OR PRESCHOOL. WE CAN'T WAIT TO SEE YOU!

Camp Quality's cancer education program has been teaching kids about cancer with a fun and interactive puppet performance, for over 33 years. The program focuses on telling the broader cancer story, including how to support someone who is facing their own cancer diagnosis or that of a loved one.

The free Cancer Education Program visits primary schools and education and care services around Australia, and is shown to reduce bullying, absenteeism and the need for mental health support services for kids impacted by cancer. An independent KMPG report showed the total Social Return on Investment of the Cancer Education Program is \$5 for every \$1 spent.

The program includes newly developed Teacher Resource Packs aligned to the Australian Curriculum, Early Years Learning Framework and state-based curriculums. **Teacher lesson plans, classroom activities and our Talking About Cancer guide** provide further learning on the social and emotional impacts of cancer. We also offer a free Kids' Guide to Cancer App that can be downloaded to your smartphone or tablet. Our resources have been developed in consultation with subject matter experts in the health and education sectors and help to facilitate conversations about cancer.

THE BIG PARTY

**AGES: EARLY LEARNING CENTRE
- YEAR 2
DURATION: 30 MINUTES**

Ariel has a brain tumour. Her big brother Tom knows she's having a tough time in hospital, so today he's bringing her something he's sure will cheer her up straight away - an invitation to Lucy Carmichael's Bouncy Castle Birthday Party on Saturday! Only, Ariel can't go... how will she ever explain to the other kids why she doesn't have any hair, and why she's tired and skinny...? The Big Party by Julianne O'Brien is an empowering story, using interactive puppetry to teach us about cancer and the importance of positivity and recognising our own strengths.

THE BIG SCORE

**AGES: YEAR 3-6
DURATION: 1HR (INCLUDING
POST-SHOW Q&A SESSION)**

Siblings Tom & Ariel's lives are turned upside down when Ariel is diagnosed with a brain tumour. Leaving their home on the country farm and moving to the city for Ariel's treatment at hospital, they must start fresh at a new school, with new teachers, new friends and a whole new normal. Will Ariel ever make it through Year 5, and will Tom ever become a soccer superstar? The Big Score by Julianne O'Brien is a touching story, using interactive puppetry to teach us about cancer and the importance of hope and acceptance.

"It took away the stigma and fear from cancer. As we have a student at our school being treated for leukaemia, it helped the children understand what she is going through and why she has lost her hair. Having an understanding of the disease has certainly increased empathy in the other children too"
- Principal

"The manner in which the show addresses cancer is age appropriate while clearly articulating the facts. It has helped me to be able to talk about cancer in a positive and reassuring manner"
- Educator

"I really love to observe the development of friendships between the older and younger children on the WSB. It really helps the school community - it's like an unofficial buddy system!"
Mary Reynolds, Walking School Bus Volunteer

"Apart from the obvious health benefits, being a volunteer for the WSB enables me to interact with my daughter and her school friends in THEIR environment."
John Casey, Walking School Bus Volunteer

"I enjoy the social nature of the walking bus, the walking and the sense that there are young children who have a responsible adult outside of their family who is safely looking after them and getting to know them."
Suzanne Priestley, Walking School Bus Volunteer

"The connections my family have made with the other kids and parents who volunteer for the Walking School Bus are also invaluable"
Fiona Hillary, Walking School Bus Volunteer

What is the Walking School Bus?

The Walking School Bus™ is a fun, healthy and safe way for primary school aged children to travel to and from school. Run in collaboration with VicHealth, Moonee Valley City Council, schools, traders and community groups, this free program has far reaching benefits.

The Walking School Bus™ (WSB) is not a real vehicle, but a group of children who walk to school accompanied by two adult leaders (one 'driver' and one 'conductor'). Picking up and delivering children at 'bus stops' on the way to school.

The Walking School Bus follows a specific route on specific days selected by your school and volunteers. These routes have been carefully planned by the volunteer coordinator and audited by Council to ensure the safety of the children. Safety precautions include a 1:8 adult to children ratio. All volunteers are expected to undergo safety training, registration and hold a Working with Children Check (WWC). Moonee Valley City Council is supporting this fantastic program at no cost to schools or families.

For further enquiries contact Council's Transport Project Officer on 9243 8888 or email transport@mvcc.vic.gov.au

Walking School Bus™ is a trademark of the Victorian Health Promotion Foundation (VicHealth)

Get on board the Walking School Bus™
 Stopping all stations

What are the benefits?

The WSB program has many benefits for your school, the local community and especially the children. By working with Moonee Valley City Council you help:

- Improve children's overall health
- Develop children's physical and social skills
- Children build friendships
- Children gain a sense of independence
- Decrease traffic congestion around school
- Increase road safety and awareness
- Lower green house gas pollution
- Strengthen community / Council relations
- Children arrive at school alert and ready to learn
- Provide a safe environment for children.

How to be involved

There are many ways that you can be involved in the WSB program. You can:

- Sign up your school
- Register your children to walk
- Volunteer to act as a conductor/driver
- Act as your school's volunteer coordinator

Volunteers

All volunteers are provided with training through Moonee Valley City Council and are required to undergo a WWC to ensure that children are walked to school in a safe and friendly manner. Volunteers are expected to operate according to the bus stop timetable and follow appropriate safety measures.

Council

Moonee Valley City Council employs a Project Officer to supervise the WSB program. The Project Officer provides administrative support and guidance to all participants. It is Council's responsibility to conduct WSB route safety audits, register volunteers and provide safety training.

Get on board the Walking School Bus™
 Let's get more children walking more often!
