**HATS MUST BE WORN
FOR THE REST OF THE
YEAR**

Hi everyone,

Having the sun shining yesterday and being outside with the students kicking the footy and soccer ball and watching everyone enjoy the warm weather was a real delight this week.

Leadership update

Victoria is on leave until the end of next week and will have a gradual return to onsite duties from week 4, with the aim to return to KHPS on a full time basis at the beginning of Week 7. Rosie Valentine and I will continue in our current roles.

Enrolments for 2024

If you have a child currently in kindergarten who will begin at KHPS in 2024 and you haven't enrolled them, please contact the office to enrol them as soon as possible.

Dogs in the school grounds

As much as our four-legged friends are not only additions to our family, but part of them, we also need to be mindful of those families and students in particular, who have not grown up with dogs, and in turn may be fearful of them in the school yards.

We also have a number of our students who are allergic to animal hair, and any pets, in particular dogs who come into the school grounds, can flare up their allergies. As such, we ask that if you are walking your dog to and from school, that you remain outside the schools grounds with them.

Assistant Dogs are always welcome. For any further information please see our Dogs at School Policy on our website:

<https://kheights.vic.edu.au/our-school/policies/>

Thanks for your support and understanding around this.

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture. We pay our respects to their Elders past and present.

Oval Opening

Tomorrow morning, our local member and newly appointed Deputy Premier Ben Carroll will be officially opening the school oval. This will be an opportunity for the students and school community to celebrate the oval which has without doubt been a massive highlight of 2023 at KHPS.

Assembly next week

Next Friday 20th October we will return to our regularly fortnightly assemblies and we are very excited to inform our community that at next weeks assembly our outstanding choir will be performing.

Assembly starts at 3pm in our school gymnasium.

Investigating Measurement!

Experimenting with measurement has been really interesting and fun. We measured the basketball court and the trundle wheel saved the day! Being able to get your work done outside with your friends and getting some sunshine is like two birds with one stone!

Anay P.

Working outside and with your friends is always fun and interesting. We've experimented with different ways to measure and learnt from our mistakes. It has been cool to use different measuring tools too!

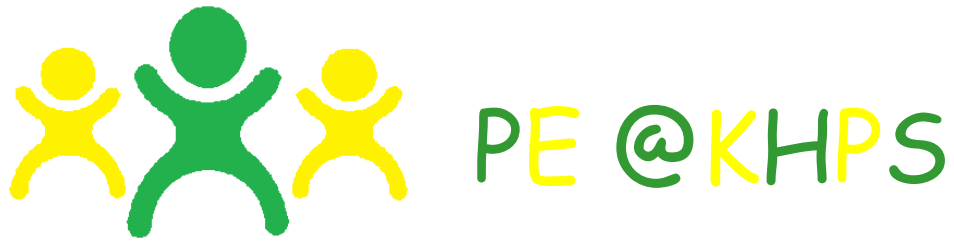

Tyler S.

When we're working together, measuring the garden beds, it's not as easy as you might think. Tight corners, uneven areas, you need to be accurate! Teamwork helped us to find the best way, even if we had different ideas to start with.

Arundhati J.

Interschool Sports Update

Well done to the Year 5/6 Girls Volleyball team who competed against Essendon North Primary School in the Divisional Volleyball Final last week. Although defeated, our girls did a fantastic job representing KHPS and getting to that stage of competition. Well done.

Free Cricket Victoria Clinic for girls at KHPS

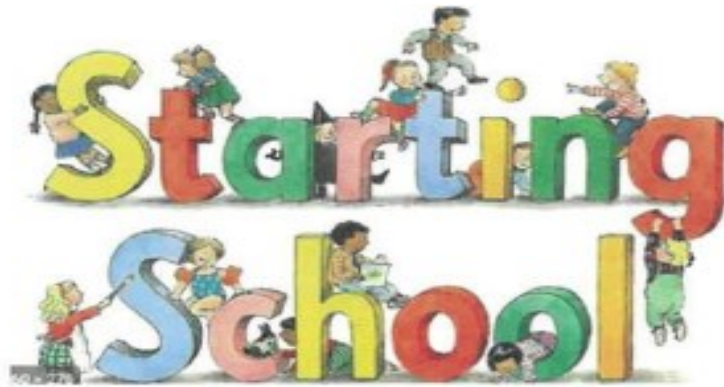

This week some of our students took part in the first session of a 4-week free Woolworths Cricket Blast clinic for girls conducted by Cricket Victoria afterschool. All of the participants had a fantastic time and there is still an opportunity for any girls who wish to sign up (using the QR code below) to take part for the remaining 3 sessions. Sessions are conducted on Tuesday afternoons on the oval between 3.35-4.35. See flyer on page 8.
