HATS MUST BE WORN FOR
THE REST OF THE YEAR

Hi everyone,

I hope you have all enjoyed a great week.

It was fantastic to welcome back Victoria this week. The students have all missed her and I know she has definitely missed being on site at KHPS.

This morning we farewelled our Year 3/4 campers and we wish all the students and staff attending well and have no doubt that they will have an amazing time.

Tuesday this week we welcomed our Foundation students for their first transition session as well as their families for an information session. It was great to see so many smiling faces and not too many tears from their parents.

A big thank you to our Year 5/6 student leaders who helped support transition.

2024 Class Structure

3 x Foundation/Year 1 classes

2 x Year 2 classes

3 x Year 3/4 classes

5 x Year 5/6 classes

We are still finalising our staffing profile for 2024, and as soon as we know what that will look like we will inform the KHPS community.

2024

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture. We pay our respects to their Elders past and present.

**Year 6 Graduation:**

Year 6 graduation is scheduled for Friday 15th December 2023. This will be an evening to celebrate the class of 23' and wish them farewell and best of luck. Information for families of students who are graduating will come out shortly.

We have a lot of events coming up over the following weeks, so please continue to keep an eye on COMPASS for information about all of them.

Have a great weekend everyone as we head into the last 4.5 weeks of the 2023 school year.
