Dear Parents and Carers,

Parent Teacher Interviews – Thursday 27th June

Mid-Year reports will be available for you to view on Compass Monday, 24th June. A lot of time goes into moderating various work and assessments your child has done so that teachers can accurately provide you with a progression point and identify where your child is working at. It is important to remember that everyone learns at different rates and has different areas of strengths and areas for further development. Please take the time to read through your child's report before the Parent Teacher Interviews so that you can discuss any areas in further detail. In some cases it may be an opportunity to discuss specific areas where your child requires additional support or extension and what you can also do at home to support this.

Parent-Teacher Interviews

Student Attitude to School Survey

Over the last two weeks, students in Years 4-6 have completed the Student Attitudes to School Survey. This is a survey that all students complete from Years 4-12. The survey is anonymous, however provides us with valuable feedback as to our strengths and further areas we can improve on. We usually receive the results, along with the Staff Opinion and Parent Opinion Surveys later in Term Three and will share a summary of these results with the community. The Parent Opinion Survey will be available shortly and we strongly encourage parents to complete the survey so that we have a measurable amount of feedback to be beneficial.

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture. We pay our respects to their Elders past and present.

Italian Incursion and World's Greatest Shave

Next Thursday, 13th June, Mrs DiSipio has organised a whole school Italian Incursion. Filippo from Global Grooves will take the students on a musical journey through Italy with his accordion. Don't forget to check Compass for details.

Mr Lynch will also be participating in the World's Greatest Shave for the second consecutive year in support of the Leukemia Foundation, and in particular, two of our students who are bravely receiving treatment. Mr Lynch has been growing his locks for a little while now, and I'm sure everyone will get behind him once more and watch them be shaved off. This will be an Out of Uniform Day, so dress as your favourite Superhero or have Crazy Hair or wear Bright Colours!! Gold coin donation with lots of games and prizes.

Kings Birthday Public Holiday

Don't forget this weekend is the long weekend and public holiday in recognition of the King's Birthday – no school on Monday

It has probably come at a good time as there does seem to be quite a few people who are experiencing colds and flu. Stay safe and warm and I wish you an enjoyable time however you may spend it.

What are KHPS students learning in PE?

In recent weeks, students across KHPS have been taking part in a wide variety of activities relating to gymnastics, athletics and other skill-based challenges (multi-skills). Check out some of these below!

STEM

YEAR 5/6

Students in Year 5/6 have been learning about sustainable farming practices in STEM. They have designed a sustainable farm and are now using different materials to make a model of their design.

Learn Italian with Signora Di Sipio

In 3/4 this week it's all about FOOD -IL CIBO!

Students will be designing their own Italian restaurant menu starting with their specialty pizzas, then look at pasta and finally desserts.

Here is a list of pizza ingredients to learn in Italiano.

Payment for 'That's Amore' whole school Incursion is now due.

The performance will be next Thursday 13th of June at 10am and 11:30am in the gym.

Grazie, Signora Di Sipio

ICAS Assessments

KHPS has given students from Years 3-6 the opportunity to participate in the ICAS assessments.

ICAS is a school competition that inspires, celebrates, and challenges millions of school students across Australia, New Zealand, and the world.

The competition questions are set in modern, real-world scenarios where school students are assessed on their ability to apply classroom learning to new contexts, using higher order thinking and problem-solving skills. The subjects span literacy (English, Writing and Spelling Bee) and Mathematics.

Interest for ICAS has been emailed via Compass, for those students wishing to participate in the assessments offered.

The dates for the various subjects are as follows:

Writing: Week Beginning 5th August (Week 4)

English: Week Beginning 12th August (Week 5)

Spelling: Week Beginning 19th August (Week 6)

Mathematics: Week Beginning 26th August (Week 7)

Students involved, will be notified of the actual day and dates when confirmed.
