Dear Parents and Carers,

Welcome to Term 3.

I hope that everyone was able to spend some family time together over the holiday break and recover from a few of those nasty illnesses that were going around at the end of last term.

As usual, I have really enjoyed catching up with students this week and hearing about their holiday adventures. It appears some were very lucky and were able to escape to warmer climates, while many seemed to take a trip to the movies. I really enjoyed visiting Mr B's class (3/4B) on Monday where his students used pictures to communicate what they did on their holidays. I was extremely impressed with their creativity and imagination, something that we value and actively encourage at KHPS. I did warm up after reading a few and got better at working out the students' sentence or messages.

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture. We pay our respects to their Elders past and present.

2025 Enrolments

If you have a child or know someone who will be attending KHPS in 2024, please contact the office on 9336 1739 to book a school tour or collect an enrolment pack. We are trying to confirm our enrolment numbers so that we can start the important planning processes for next year. **Enrolment forms are due at the latest by Friday 26th July.**

Victorian State School Spectacular

Our dedicated VSSS students have been working extremely hard during their lunch times to learn and perfect all fifteen songs that they need to learn for their Victorian State School Spectacular performance at the end of this term.

A big shout out to these students, Ms Caruana, Miss Valentine and Miss Carden for their commitment and progress. I was blown away by how fantastic they sounded when I attended one of their rehearsals this week. Tickets will be going on sale next Monday, so please get in early so you don't miss out. See further details about booking tickets in this newsletter.

Inclement Weather

Winter is definitely upon us, so please remember to make sure your child is adequately dressed, winter uniform, jumpers and coats. Students will go outside unless it is too wet, so a change of clothing is a good idea if they get wet through play or have a fall. We only have a very limited supply of spare clothing at school for emergencies. We also ask if your child does come home in spare clothing provided by the school, that you wash and return it as soon as you are able to please.

NAPLAN Results

This week, we received our 2024 NAPLAN results. Individual reports will go home to those participating students in Years three and five. I will provide a more detailed summary of our overall results once they have been presented to staff and School Council, but I would like to acknowledge the strong results in particular with our Year three students. These results are a positive indication that the work we have doing to build consistency and have strong, evidence based Instructional Models for Reading, Writing, Spelling and Numeracy are successful.

Stay warm and dry.

Victoria Graham

The students are very excited to be performing at the Victorian State School Spectacular and their dedication and commitment has been wonderful. Come along to the show and be entertained by primary and secondary students from around Victoria. Please see information about purchasing tickets.

Thankyou

Christine Caruana, Rosie Valentine and Emily Carden

You might have noticed our pink signage and line markings for our drop off and pick up zone. This zone is not for waiting in.

Carers should always drop off or pick up their child/ren from the designated area and, in this zone:

- ask your child to head straight to the pick up zone once the bell rings – they will then be ready and waiting once you arrive
- plan to arrive after the bell rings, not before, as you cannot wait in the zone
- remain in your vehicles at all times
- move forward to join the queue so that other vehicles can get into the zone
- use the hand brake and put the vehicle in park when it is stationary
- do not double park
- do not park across a pedestrian crossing
- do not undertake a U-turn in close proximity to the school.

Students should:

- keep your seat belt on until the vehicle has stopped in the zone
- have your school bag and other items in a safe position on the floor and ready for you to take with you when the vehicle has stopped
- always get in and out of the vehicle through the safety door (the rear footpath-side door).

What does the no parking sign mean?

It means that you cannot park in the zone during the times identified on the sign as it is to be used only as a pick up or drop off zone during those times.

You can only stay in this zone for two minutes. If you overstay this time limit, you could receive an infringement.
