The Year 3/4's have been working on composing poetry. They have studied three main types of poems: Haiku, Shape and Quatrain.

We had some students reflect on the unit of work.....

Charlie: 'I loved just how some of the poems were unique and interesting!'

Isla: 'We were able to build on the poetry skills from last year. It was fun trying to make rhyming words.'

POETRY WRITING IN YEARS 3&4

Buckley District Inter-school Athletics Carnival

On Monday, 40 students from grades 3-6 participated in the 2024 Buckley District Athletics Carnival. All of our athletes did a fantastic job with some outstanding individual performances on display.

As a result of our students' performances, KHPS received the 'enrolment' pennant for the second consecutive year for being 1st place out of 8 schools relative to our student enrolment numbers which is a great achievement.

Congratulations to our entire athletics team, especially to those who have qualified to compete at the Moonee Ponds Divisional finals on Tuesday the 10th of September at Keilor Athletics Track.

Further information will be sent home to these students shortly. I'd also like to say a huuuuuge thank you to all of the parents and family members who came to support our students, in particular Kerry O who assisted with running the high jump throughout the day. Your support is greatly appreciated.

Well done to the following students who have qualified for the Moonee Ponds Divisional Finals:
