Dear Parents and Carers,

Whole School Performance—Musicals & Movies

Only six more sleeps until our school performance! We will be having our whole school dress rehearsal next Tuesday, so please remember that students need to bring their costumes in a named plastic bag.

Our senior students have been working so hard preparing various stalls and entertainment for the two hour period between performances, so please come along and support them. There will be a second hand clothing and book stall, throw the sponge at the teacher opportunity, guess the amount in the jar, obstacle course and games, to name a few. (See flyers in newsletter).

Students can bring their own lunch or buy a sausage, cool drink or Zooper Dooper .

As there are two performance times, it is crucial that students attend both sessions.

Foodbank Victoria Drive

Congratulations to Addison on organising a successful Casual Clothes Day in support of Foodbank Victoria. It is certainly commendable and a HUGE thank you to everyone for supporting this cause by donating a gold coin or food items. The school raised over \$330 to go with the absolute mountain of food and donations are still being dropped at the office!

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.

We pay our respects to their Elders past and present.

Chickens

It is Day 21 for our chicken eggs, which means we will hopefully have them hatching over the next couple of days.

Our 'Chicken Club' have been diligent in their care and ensuring that the eggs have been kept at the correct temperature and water levels just right. Hopefully next week we will be able to provide a picture of the chickens which will be kept at school for the next couple of weeks. It has certainly been a learning opportunity for students and staff, generating lots of questions and interest.

COS Book Packs

Information was sent out last week with instructions on ordering student stationery via COS and Voluntary Contributions. If you have any queries please contact the office.

School Savings Bonus

By now most families will have received the codes required to use this bonus on uniform or excursions/incursions. Please see the sites below for further information if required.

ROBOTS & STEM

Students in 5/6 had the opportunity to experiment with coding via the iRobot system. They worked in small groups to learn how 'Root' works, operates and thinks. After many trials and errors, they made Root run the gauntlet, which was entertaining for us all.

The challenge still remains! Who can run the gauntlet by making it to the finish line (and without any off-road detours).
