## Word of the Week—TRUSTWORTHINESS

Dear Parents and Carers,

It's been another busy week with lots of events and things happening around the school!

### Year 1 Breakfast & Year 2 Stay Late

Our Year 1s enjoyed a delicious pancake breakfast yesterday morning before school. Students had a great time eating pancakes with a variety of fun toppings, drinking orange juice and playing with their snap bands!

And in the evening, our Year 2s enjoyed their Stay Late! Students played lots of fun games on the oval including skipping, scooter boarding and more. They then tucked in to a tasty dinner of hot chips and potato cakes! Lastly for dessert they enjoyed a zooper dooper and then had a boogie at their own disco.

Big thanks to the 1/2 team for all of their organisation, and more info and pics down below!

### Camp

As part of our Camp Program, our Year 3-6s head over to Camp Weekaway next Wednesday morning. A reminder that kids will need to be at school ready to hop on the bus at 8:30am. Thanks to our staff and parents who have volunteered to attend and help out, it should be a great few days and fingers are crossed for good weather.

### Snowman at Airport West

A reminder to families to head on over to Airport West Shopping Centre to visit our KHPS Snowman! Our wonderful students Chiara, Vivian, Clarabelle, Amy, and Thanh all worked really hard on the concept and we are so proud of their efforts. If you spot him, snap a photo with the Snowman and send it through to us so we can add it to our Instagram.

We hear he is tucked away near Auspost and Specsavers.

*Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.*

### Congratulations

Lastly we'd like to congratulate Ms Carden and wish her the very best as she gets married this weekend. The weather doesn't look the best in Sydney, but we hear that is good luck! She will be back next week in time for camp and we can't wait to see all the photos.

Have a great weekend everyone.

Warm regards,

Rosie

## SHAPE FUN IN FOUNDATION

Our wonderful Foundation students have been exploring shapes this term. They have learned about the different features of shapes and have enjoyed searching around our school environment to find real-life examples. Students have also had fun using a variety of shapes to create their own imaginative pictures. I wonder what shapes you might discover at home!
