Word of the Week—SHARING

Dear Parents and Carers,

Another year gone and it has certainly been a year of progress and growth for KHPS. We have had so many things to celebrate, however we would like to acknowledge the recent and appalling events that occurred at Bondi Beach earlier this week. We send our condolences to the families of those who died and extend this for any in our school community directly impacted by these events and acknowledge that we are all effected by what occurred.

The whole school activities we have had during this week to celebrate the end of the year have demonstrated the inclusivity and genuine support our students at KHPS have for one another, and we are very proud of them. Last Friday we had our Year 6 Graduation and I would like to thank the students and staff for making this such a memorable occasion and celebration for our graduating students. It was the perfect mix of emotions and we wish our young people all the very best with the next stage of their schooling and future years.

House Sports, Whole School Picnic at Rosehill Park, Student Talent Show, Teacher vs Student Games, Water Fun, Final Assembly and Christmas Raffle Draw! We have had so much fun with students during all of these activities and it has been a fantastic way to end the year. The Yearbook has also been distributed this week and a BIG Thank You to Mr Lynch who has outdone himself, it looks amazing!

Some additional great news is the completion of the Junior Toilet Blocks. These will be open at the beginning of 2026! Over the holiday period we will also be getting some work done to improve the senior toilets as well as new carpets across the school. Our Fire system is being upgraded over the break, which will allow us to go ahead with the replacement of our asphalt areas and new 3/4 playground.

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.

We pay our respects to their Elders past and present.

I would like to say a sincere thank you to students, families and staff for their continued support, collaboration and partnership to ensure our students have the best opportunities for their academic and personal development.

Thank you and farewell to those families and staff who are moving on from KHPS and wishing them all the very best, as many who have been with KHPS for many years.

I would also like to acknowledge Christine Carroll who is retiring after a long and successful career, leaving a positive impact on many young people.

Wishing everyone a safe and happy holiday break and look forward to seeing you Thursday January 29th 2026.
