Word of the Week—RESILIENCE

Dear Parents and Carers,

We have had another busy week at KHPS, with our Year 3-6 students attending camp and our Year 1/2 families attending an Open Afternoon. It has been great to meet our new 2026 Foundation students and families during their transition mornings, we look forward to seeing them again soon.

Pink Zone Reminder:

Just a reminder to all families that the Pink Zone is for drop off and pickups only, there is a 2-minute time limit, and you could receive a fine from the Moonee Valley City Council if you do not follow these rules. They will take a photo and you will receive a fine in the mail, please refer to the flyer at the end of the newsletter.

Christmas Raffle:

We have some amazing prizes for our end of year Christmas Raffle. Please make sure you purchase your tickets for your chance to win! More details below.

Kind Regards

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.

Craft sand contamination update

You may be aware of a recent alert about craft sand products that may contain asbestos. For current information about the recall, including a list of products, visit the ACCC website.

At our school, we are taking the steps set out by the Department of Education to collect and dispose of the products. Current advice from national and Victorian health authorities is that there is a low risk to human health from these products.

If you have the product at home, however, the advice from the health authorities is that you should stop using it and follow the safety advice published here: [Safe disposal and health information for consumers with recalled sand products](#)

ICAS Assessments 2025

During Term 3, students from Years 3-6 had the opportunity to participate in the ICAS assessments. ICAS is a school competition that inspires, celebrates and challenges millions of school students across Australia, New Zealand and the world.

The competition questions are set in modern, real-world scenarios where school students are assessed on their ability to apply classroom learning to new contexts, using higher-order thinking and problem-solving skills. The subjects span literacy (English, Writing and Spelling Bee) and Mathematics.

The recipients of the awards were as follows:

You might have noticed our pink signage and line markings for our drop off and pick up zone. This zone is not for waiting in.

Carers should always drop off or pick up their child/ren from the designated area and, in this zone:

- ask your child to head straight to the pick up zone once the bell rings – they will then be ready and waiting once you arrive
- plan to arrive after the bell rings, not before, as you cannot wait in the zone
- remain in your vehicles at all times
- move forward to join the queue so that other vehicles can get into the zone
- use the hand brake and put the vehicle in park when it is stationary
- do not double park
- do not park across a pedestrian crossing
- do not undertake a U-turn in close proximity to the school.

Students should:

- keep your seat belt on until the vehicle has stopped in the zone
- have your school bag and other items in a safe position on the floor and ready for you to take with you when the vehicle has stopped
- always get in and out of the vehicle through the safety door (the rear footpath-side door).

What does the no parking sign mean?

It means that you cannot park in the zone during the times identified on the sign as it is to be used only as a pick up or drop off zone during those times.

You can only stay in this zone for two minutes. If you overstay this time limit, you could receive an infringement.

KEILOR HEIGHT'S CONTAINER DEPOSIT SCHEME

MAKE A POSITIVE CHANGE BY FUNDRAISING AND RECYCLING AT THE SAME TIME

EACH BOTTLE THAT
YOU RECYCLE IS WORTH
10 CENTS

WHAT IS RECYCLING?

Recycling is the process of taking materials that would be thrown away and turning them into new products. Materials that can be recycled include: **paper, plastic, glass** and metal.

You can recycle plastic and glass bottles by collecting them and recycling them at container deposits for 10 cents per bottle.

STEPS ON HOW TO RECYCLE

Number 1: in CDS vic west app, search 'cans for khps under charities'

Number 2: click 'set as payout'

Number 3: scan cans as normal and move onto your day.

HOW TO RECYCLE

Collect: Collect plastic or glass bottles to recycle.

Sort: Sort your bottles by the type of material to recycle them properly.

Deposit: Deposit your bottles at a container deposit centre to receive money to donate.

DONATED MONEY FROM
BOTTLES WILL GO
TOWARDS A **GAGA PIT!**

CDS VIC VICTORIA
