WORD OF THE WEEK—INTEGRITY

Dear Parents and Carers,

Berry Street Refresher

Today staff completed refresher training for Berry Street. We have been incorporating Berry Street Practices at KHPs for a number of years now and find it compliments our whole school approach to Wellbeing and Inclusion. Berry Street recognises that trauma can mean different things for different people, however it is important for us all to learn how to move forward, by implementing strategies so that we can get the most out of our surroundings. It also teaches us to show compassion and understanding for other people and how they might be feeling or react to different situations. One of the things that we often ask students is “What went well today?” This is something you can also ask at home to reinforce the work we do at school.

Deputy Premier Visit Friday 5th June

This Friday morning a small group of our students, including our School Captains will be meeting The Honourable Ben Carroll MP, who serves as the Deputy Premier of Victoria and Minister for Education. We will complete a tour of the school and talk about our hopes and vision for our new upgrade, as well as visit classrooms to see our SoundWaves program in action.

Student Led Interviews - 24th June 11.30am – 6.30pm

Notification will come out early next week for you to book a time with your child’s teacher for our Student Led Interviews. All students need to attend these interviews as they will be showing you their work from across the semester, highlighting their achievements and next goals. Interviews will go for fifteen minutes. If you would like to discuss something alone with your child’s teacher, please advise the office and we will ensure to inform the teacher and time will be allocated within the 15 minute interview.

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.

We pay our respects to their Elders past and present.

Similarly, your child's teacher will also advise you if they would like the opportunity to speak with you alone. Students have been putting in time preparing for these interviews and looking forward to sharing their learning with you. This will also form part of their Speaking and Listening requirements, so it is important they all attend. Reports will have been published prior to the Interviews, so please make sure you have read these beforehand.

National Reconciliation Week

This week, we have recognised National Reconciliation Week. Students have discussed the history and culture of Indigenous Australians, and shared strategies for how we can continue to work towards reconciliation as a country. Students in 3/4 A read a text about the 1967 Referendum and created images on what a fair and inclusive Australia looked like for them.

King's Birthday – Long Weekend

Please enjoy the long weekend and stay safe and warm in these Winter conditions.

TERM 2 WEEK 7

NEWSLETTER

June 2026

Winter is here!

We have had an incredibly positive week as the children continued celebrating Reconciliation Week by deeply engaging with First Nations culture through art and storytelling. Furthermore, our Tuesday Soccer Sessions have become a massive hit, bringing electric energy to the field and driving a fantastic surge in our afternoon attendance numbers as the kids build wonderful teamwork skills. To ensure your child doesn't miss out on the soccer fun, please remember to book your Tuesday sessions in advance, and don't forget to pack a warm jacket as the afternoon weather gets cooler!
