Dear Parents and Carers,

Reports/ Student Led Interviews

Times are now available for parents to book through Compass. Please remember that your child is part of the interview and will be sharing their learning and future goals with you at the interview. All students will be dismissed at 11.00am so that Student Led Interviews can occur. As we also have alternate days for the different cohorts, please do not book both days, book one appointment only with your child/ren's teacher.

Year 3/4 Swimming and Open Morning

Year 3/4 swimming will be taking place in the final two weeks of this term. The Department subsidise part of the program as it has been recognised the crucial role water safety plays in preventing drowning in children. Please make sure you have completed the relevant information so that your child can participate in the program and be placed in the appropriate group.

The Year 3/4 classes are also looking forward to their Open Morning tomorrow and invite families to come and share their recent learning on Australian History.

2026 Enrolments

Please contact the office for an enrolment form if your child will be beginning school next year or if you know of a family in the area that is enrolling. The Department of Education asks that all Foundation Enrolments are completed by 25th July.

We ask that you also let the office know if your child will not be returning to KHPS next year.

Schools Saving Bonus – SSB

Please note that after June 30th parents will not have access to the online parent portal and all unspent credit will be transferred to the school, similar to CSEF funds. You can use this for excursions/incursions and camps, but will not be able to use it to purchase uniforms after June 30th. This money will not be available until early August, so if you would like to have it available to use between June 30th – August, please log into the SSB portal and transfer your credit to 'Activities'.

If you have not used the funds by the end of the year, it will carry over to next year. Unused funds for any Year 6 students, will be transferred for those who will be going to a government school.

Please contact the office if you require any further assistance.

5/6 ITALIAN

This week students have shared their 'Tastes of Italy' presentations. They have been learning about the regions of Italy and the foods that are associated with them. So proud of all their achievements this term.

Learn Italian with Signora Di Sipio

ICAS Assessments 2025

ICAS will return to Keilor Heights PS this year and we are giving students from Grades 3-6 the opportunity to participate in the ICAS assessments. This fantastic assessment program allows students to challenge themselves and be recognised for their academic efforts.

ICAS is a school competition that inspires, celebrates, and challenges millions of school students across Australia, New Zealand, and the world. The competition questions are set in modern, real-world scenarios where school students are assessed on their ability to apply classroom learning to new contexts, using higher-order thinking and problem-solving skills. The subjects span literacy (English, Writing and Spelling Bee) and Mathematics.

Interest for ICAS was emailed this week via Compass, for those students wishing to participate in the assessments offered.

The dates for the various subjects are as follows:

Writing: Week Beginning 4th August (Week 3)

English: Week Beginning 11th August (Week 4)

Spelling: Week Beginning 18th August (Week 5)

Mathematics: Week Beginning 25th August (Week 6)

Students involved, will be notified of the actual day and dates when confirmed.

The assessment is now fully online.
