Dear Parents and Carers,

Another busy week has flown by! As always, Term 4 is packed with exciting events and this week has been no exception.

Spring Screening Spectacular

We cannot wait for the fun that is in store for tomorrow evening's Movie Night! The Big Screen will be arriving soon, along with the food trucks, coffee van, popcorn, ice-creams and more.

The weather looks good and the prizes for the raffle are AMAZING, we promise you do not want to miss out! Our Office Staff have worked tirelessly to plan and organise this event, so a big thank you to them for all of their efforts. There are still some tickets available, so make sure you get in quick to ensure you don't miss out. Visit COMPASSTIX to purchase these (not Compass!). Wristbands have been handed to students this afternoon, please put them on tomorrow night and show them to staff at the Shelley Street entrance. Please contact the office if you have any queries.

Cyber Safety

A reminder of the upcoming Online Webinar regarding Cyber Safety on Thursday the 23rd October.

During this practical webinar, parents will learn how to:

- Manage gaming habits and screen time with confidence
- Set clear, healthy boundaries for balanced play
- Foster positive online behaviour and communication

Staff at KHPS have also participated in these Online PL sessions and found them to be incredibly valuable. We strongly recommend attendance where possible. If you can't attend, still sign up as you will receive a recording of the session afterwards. See flyer on page 12 for more information about how to access these sessions.

Transition Planning

Another reminder that as we are in Term 4, it is time for us to start thinking about transitioning in to 2026. At school, staff are providing students with many opportunities to engage with other students in their year levels and the ones above/below in order to prepare them for next year. Soon students will be asked to provide 5 names of students they believe they work well with and would like to be in a grade with, one of which they will be guaranteed. It is important that students are supported at home with this process, so please have some discussions with your child about who to write down. If you believe your child might require extra support with transition, please contact your classroom teacher to discuss further.

A reminder to please notify the school if your child is leaving next year, as this supports our planning processes and ensures students know who to write down for their preferences for next year.

Hope you're all enjoying this wonderful warm weather, and looking forward to seeing you at the **Spring Screening Spectacular** tomorrow night!

Warm regards,

Rosie

We will be selling tickets for our Christmas Raffle tomorrow night, \$2 per ticket or 3 for \$5.
