Word of the Week—COOPERATION

Dear Parents and Carers,

Although it has been a short term, it has certainly been packed full of a broad range of fantastic celebrations and events. We kicked off the term, celebrating the success of the Girl's T-ball team and the sporting achievements continued with our Athletics team doing very well at Regionals. All year levels had various excursions, including Year 5/6 Day Camp, Year 3/4 visits to EKC and F-2 swimming and Professor Bunsen. Our Foundation students celebrated 100 days of school and also enjoyed several visits from the Fire Brigade, learning valuable lessons about fire safety. The SRC ran our Father's Day Stall and have begun organising various other events, including our ongoing fundraiser for our Gaga Pit, 'Cash for Cans'. Several students participated in ICAS assessments, and we had the whole school incursion with well known author Deborah Abela. And of course, what a way to end the Term with our Wakakirri and VSSS performing across the weekend and then again along with our F-2 students at our Art Show. A huge shout out to all students for their achievements, to staff for organising and running these events and families coming along to support our students. Wishing everyone a restful and safe holiday break.

Couple of reminders about parking at pick up and drop off times. We appreciate how busy these times can be, but please remember to observe the different zones and how long you are allowed to park for. These are for the safety of our students and families. Council and police members patrol at random times and will issue fines if they observe cars not adhering to the parking laws.

Exciting news! Please join and follow our new Instagram and Facebook pages. Here you will be able to view the latest pictures and videos of students and what they have been up to. Please share with your family and friends and 'like' and follow us!

KEILOR HEIGHT'S CONTAINER DEPOSIT SCHEME

MAKE A POSITIVE CHANGE BY FUNDRAISING AND RECYCLING AT THE SAME TIME

EACH BOTTLE THAT
YOU RECYCLE IS WORTH
10 CENTS

10c

WHAT IS RECYCLING?

Recycling is the process of taking materials that would be thrown away and turning them into new products. Materials that can be recycled include: **paper, plastic, glass** and metal.

You can recycle plastic and glass bottles by collecting them and recycling them at container deposits for 10 cents per bottle.

STEPS ON HOW TO RECYCLE

Number 1: in CDS vic west app, search 'cans for kbps under charities'

Number 2: click 'set as payout'

Number 3: scan cans as normal and move onto your day.

HOW TO RECYCLE

Collect: Collect plastic or glass bottles to recycle.

Sort: Sort your bottles by the type of material to recycle them properly.

Deposit: Deposit your bottles at a container deposit centre to receive money to donate.

Safety around schools

Providing safe school zones for all children

Keep children safe in a school zone by:

- walking or cycling to school to decrease traffic congestion
- adhering to the 40km per hour zone when travelling in an operated school zone
- checking the restrictions set by the regulations and parking signs in the area and abiding by them
- not stopping or parking illegally – these actions will be noticed and infringements will be issued by Council.

You should:

- always let your child out on the kerb side of the road
- never call your child from across the road – teach them to wait until you walk over to get them or to use the school crossing

- talk to your child about what they should do if you are not there on time.

A children's crossing is a legal crossing when two flags are in place.

Teach your child to:

- always stand one step back from the kerb
- wait for the Crossing Supervisor to go out onto the crossing and blow their whistle (two short blasts), then cross the road
- not ride bikes, bounce a ball, fight, muck around or run across the crossing
- always stay within the lines of crossing and walk in front of the supervisor (never behind them)
- always be alert and listen to what the Crossing Supervisor says.
