Cooking Up Confidence in the Kitchen!

There has been a lot of mixing, folding and baking happening with our Grade 3/4 and 5/6 students! To build kitchen independence, students have been getting creative with wraps, pastry and fresh ingredients.

Some recent highlights include:-
Breakfast Rolls, Chocolate Banana Pastries,
Fresh Banana Smoothies, Apple Turnovers, and Crumpet Churros.

Our young chefs are having a fantastic time learning new skills, trying different recipes, and proudly eating their own cooking.

Here is what they have to say about the program:

- 🍌 "The banana smoothie is delicious—is there any more?"
- 🌸 "The pastry flowers were the hardest task so far, but it was fun!"
- 🍕 "The pizza skewers were creative and difficult but are tasty"

We also had a reviewer leave this glowing feedback:
"These Breakfast rolls are the best I've had out of the cooking group!"
Can you guess who said it?
