Monday 4th August  
CURRICULUM DAY-NO SCHOOL

Dear Parents and Carers,

Welcome to the end of Week 5. The weather has certainly taken a turn towards Winter, with almost freezing temperatures for us to wake up to each morning! Time to rug up and keep warm as best we can.

## 2026 Enrolments

2026 enrolments are now open. If you have a child beginning next year or know someone who is, please contact our office for a tour or enrolment pack. All enrolments are required by Friday 25th July. We are also continuing to run our "Story Time" and "Music Makers" programs for all pre-foundation aged students, please see below for more information and dates. Please also advise the office as soon as possible if your child is not returning next year, as this supports us with our planning for 2026.

## Margarita Breed - Maths Expert

As part of the school's AIP, staff at KHPS have been participating in ongoing Professional Learning with Maths Expert, Margarita Breed. This week, Margarita modelled different open-ended numeracy tasks with various students to demonstrate the importance of the Four Proficiencies in Maths (Fluency, Understanding, Problem Solving and Reasoning). We encourage families at home to give this task a go when your child brings it home and discuss the different mathematical concepts you come across. Next week, we will post Margarita's conclusions so you can see where our students ended up and compare to your own findings!

## Cash for Cans

A reminder to all families that our wonderful SRC have worked hard to set up and promote the Cash for Cans fundraising scheme. Students have taken initiative to use their student voice and identified a need for more playground equipment and activities in the yard to keep students engaged through recess and lunchtime.

By donating your cans for cash as per the flyer, (page 2) you will be directly contributing to the addition of a GAGA Pit which will benefit all students in the yard. Please take the time to read the flyer and set this up as students have worked very hard on this initiative.

*Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.*

### Cyber Safety Information Evening – Rosehill Secondary

Rosehill Secondary has very kindly extended an invitation to parents from our school to attend a Cyber Safety Information Evening, presented by Susan McLean, Thursday 19<sup>th</sup> June 6:00 – 7:30 pm. They have set aside thirty placements, strictly adults only.

Please see flyer on page 12 and bookings are made using the following link:

### Moderation

To ensure our Reporting processes at KHPS are accurate, consistent, and aligned with the new Victoria Curriculum, staff have been participating in "Moderation" sessions. This process includes looking at different anonymous student work samples and comparing these to the Curriculum to make an agreed upon judgment about what the child has successfully demonstrated. These are completed in Numeracy, Writing and Reading, and will continue each semester.

### Italian Incursion

Yesterday, our whole school enjoyed a vibrant and energetic performance called 'L'ingrediente segreto' (the secret ingredient). Students and staff were completely engaged by the music and comical acting, and especially enjoyed seeing Mr B dressed up like a chicken! Thanks to Senora Di Sipio for organising.

Wishing everyone a wonderful weekend, stay warm!

Keilor Heights Primary School recently joined the CDS Vic West recycling program as a registered charity. We are aiming to raise funds to upgrade our playground equipment, including adding a Gaga Ball Pit to our school grounds.

To help us reach our fundraising targets, go to your CDS Vic West app, click 'Charities', search 'Cans for KHPS' and then at the bottom click 'Set as payout'.

That will set it up so your future payments go directly to our campaign when you donate your cans and bottles.

Thank you for your ongoing support.

# L'Ingrediente Segreto

Students had a great time today at the Italian performance. It was interactive with lots of singing and dancing. And of course we found out that the secret ingredient is AMORE

## ICAS Assessments 2025

ICAS will return to Keilor Heights PS this year and we are giving students from Grades 3-6 the opportunity to participate in the ICAS assessments. This fantastic assessment program allows students to challenge themselves and be recognised for their academic efforts.

ICAS is a school competition that inspires, celebrates, and challenges millions of school students across Australia, New Zealand, and the world.

The competition questions are set in modern, real-world scenarios where school students are assessed on their ability to apply classroom learning to new contexts, using higher-order thinking and problem-solving skills. The subjects span literacy (English, Writing and Spelling Bee) and Mathematics.

Interest for ICAS was emailed this week via Compass, for those students wishing to participate in the assessments offered.

The dates for the various subjects are as follows:

**Writing:** Week Beginning 4<sup>th</sup> August (Week 3)

**English:** Week Beginning 11<sup>th</sup> August (Week 4)

**Spelling:** Week Beginning 18<sup>th</sup> August (Week 5)

**Mathematics:** Week Beginning 25<sup>th</sup> August (Week 6)

Students involved, will be notified of the actual day and dates when confirmed.

The assessment is now fully online.

Learn more by visiting [icasassessments.com](https://www.icasassessments.com).

## Baby teeth are important!

### Tooth Tips for families

Baby teeth are important for eating, talking and smiling.  
Baby teeth also keep space for adult teeth and guide them into place.  
Tooth decay can cause pain, sleep problems and eating problems.

**18 MONTHS  
- 6 YEARS**

### After 12 months children should use a cup for drinking

Your child can drink tap water or plain full cream milk from a cup.

### Avoid fruit juice and other sweet drinks

Give tap water or plain full cream milk.

Children don't need fruit juice or sweet drinks. These can cause tooth decay. Give fresh fruit instead of juice.

### Offer healthy snacks and limit or avoid sweet foods

These include fresh fruit and vegetables, yoghurt, cheese and dry biscuits and sandwiches.

Eating foods high in sugar can lead to tooth decay.

### Clean your child's teeth and gums twice a day

Use a small soft toothbrush. Help your children to brush their teeth morning and night. Parents should help until the child is seven years of age.

**18 months to 6 years**  
Use a pea sized amount of low fluoride children's toothpaste.

**Adults and children 6 years and over**  
Use a pea sized amount of regular fluoride toothpaste.

### Have your child's teeth checked before 2 years of age

Your child should have their teeth checked for early signs of decay by 2 years of age. This might be done by your maternal and child health nurse, family doctor or dentist.

Talk to your dentist, maternal and child health nurse or family doctor for further information.

#### Visiting the dentist:

- All children up to 12 years of age can go to the public dental service. It is free for health care card holders and low cost for everyone else.
- You can call (03) 9341 1000, or 1800 833 039 (outside Melbourne Metro), or visit [www.dhsv.org.au](http://www.dhsv.org.au) to find your nearest public clinic.
- You can also check the yellow pages to find a private dentist.

## Speech and language in the early school years

### Tips for articulation (speech sound) development

Articulation is the production of speech sounds in words. It is a normal part of development that young children have difficulties with some sounds. Sounds develop as children mature, and as they grow older some errors are no longer age appropriate.

Speech sound errors still common in children aged 5 or 6 years include the following:

- 's' error (i.e. 'th' instead of 's'/'lisp')
- 's' instead of 'sh', e.g. "sue" instead of "shoe"
- 'y' or 'w' instead of 'l', e.g. "wion" instead of "lion"
- 'f' instead of 'th', e.g. "fumb" instead of "thumb"
- 'v' instead of 'th', e.g. "feaver" instead of "feather"
- 'b' instead of 'v', e.g. "glub" instead of "glove"
- 'w' or 'y' instead of 'r', e.g. "wabbit" or "yabbit"

The following speech sound errors are less typical in children aged 5 or 6 years and may require some support or specific attention:

- 's' error (lateral or slushy 's')
- leaving off the ends of words, e.g. "ray" instead of "rain"
- dropping sounds in words, e.g. "poon" instead of "spoon"
- 't' or 'd' instead of 'k' or 'g', e.g. "tee" instead of "key", or "dote" instead of "goat"

Family members and teachers can support a child's articulation development by:

1. Sometimes model back the correct sound when the child makes a mistake, e.g. if the child says, "I'm drawing a sip", you could say "That's a great ship!"
2. During reading or talking, you may give feedback on how sounds are produced, e.g. "Ship begins with 'sh'. When we say 'sh' my lips are round. Listen to how I say 'sh'."
3. You may prompt the child to slow down their talking when they are difficult to understand, e.g., "I'm finding it a bit difficult to hear what you're saying. Can you talk a bit slower, please?"
4. Be positive and encourage the child's speaking attempts, e.g., "I know that was tricky for you to say. You did so well telling me that story" or "You had such a good try at saying that 'sh' sound. Great job!"
5. Monitor a child's articulation development during individual and small group activities. If there are concerns regarding their progress, it may be appropriate to have a parent/teacher discussion to consider a speech pathology consultation.

Good communication skills are important for learning and the development of positive social relationships.

It is essential to monitor the development of a child's speech as they grow up. If they are having difficulties with particular sound/s, it may be appropriate to wait for them to resolve, and seek assistance as required if difficulties persist beyond a typical age.

Incorrect production of sounds may impact the child's ability to sound out and spell words, and interfere with development of social relationships as they cannot be understood easily.

**Good vision for life®**

## How can parents help?

### **Good vision is important for a child's educational, physical and social development**

Approximately one in five Australian children suffers from an undetected vision problem, or requires ongoing assessment. To help give children the best chance of reaching their full potential, it is important for parents to recognise the possible symptoms of vision difficulties.

Many signs of vision problems are quite obvious, but others are harder to identify. Some of the more common signs include:

- > one eye turning in or out while the other points straight ahead
- > noticeable tilting or turning of the head when the child is looking at something
- > frequent blinking or rubbing of the eyes
- > red or watery eyes
- > difficulty reading, such as skipping and confusing words, and holding a book very close while reading
- > complaints of headaches and blurred or double vision
- > squinting or having difficulty recognising things or people in the distance

### **Creating a healthy eye environment at home is very important**

These useful hints will help you achieve this:

- > Take your child to visit an optometrist on a regular basis, especially at the first signs of a suspected vision problem, because once recognised, many eye problems are easy to correct or treat.
- > When reading at home, always read in a room with good and even lighting, and encourage regular breaks.
- > Encourage your child to spend a few hours outdoors each day.
- > Encourage your child to wear sunglasses and a broad-brimmed hat while outside as this reduces the amount of UV exposure to their eyes.
- > When watching television or playing on smartphones, computers or video games, ensure the room is well lit and reduce glare and reflection from lights or windows.
- > Limit computer sessions and have short breaks from looking at a computer for at least five to 10 minutes every hour.
- > Limit television watching to less than two hours at a time, before having a break, and encourage your child to sit as far as possible from the screen.
- > Have the top of computer monitors/televisions at, or slightly below, eye level.
- > Promote healthy eating by including plenty of vegetables, fruits, nuts and fish in your child's diet. These foods contain important nutrients such as antioxidants, vitamin A and omega-3s, all helpful in maintaining eye and body health.

**Optometry Australia recommends that children have a full eye examination with an optometrist before starting school and then regular visits as they progress through primary and secondary school.**

## Holiday Program Preparation Guide

### Activities

**ON-TOUR Activities** will depart at approximately 8.30am and return at approximately 3.00pm unless otherwise specified.

#### What to wear?

Children are encouraged to wear comfortable, weather appropriate clothing, with closed toe shoes.

#### Safety attire

Every child is provided with a bright coloured Big Childcare vest with centre contact details attached. For water events, every child is provided with a Big Childcare rashie for protection and safety.

#### What to pack?

Backpack, Healthy lunch, and snacks, water bottle, hat, sunscreen, change of clothes. For water events, bring bathers, towel, plastic bag and change of clothes.

#### What NOT to pack?

We strongly encourage children to leave valuables at home as Big Childcare will not be responsible for any loss or damage. We kindly ask that you do not provide your children with spending money.

#### Disclaimer

Excursion locations may be subject to change. You will be notified via email or text when this happens.

#### HOME-BASED ACTIVITIES:

During a Home Base day (HB) at Big Childcare, you're welcome to drop off your child at any time within our opening hours. We'll keep you informed about any special items your child might need for these days. Hosted by the center, Home Base days feature engaging themes tailored to children's current interests. Our dedicated team work hard to make sure that each Home Base day is filled with exciting themes and activities that captivate your child's imagination, all at no additional cost to you.

### Booking changes

#### Changes

If making a change to your booking you will need to do this by **Wednesday 2 July 2025**

#### Cancellations

Cancellations are not permitted during school holiday program. Amendments to bookings will need to be made prior to the holiday program starting.

#### Refunds

No cancellations or refunds are permitted during holiday care as staff, resources and/or venues and transportation have been secured based on your confirmed booking.

### Health & Safety

#### Medical Plan

If your child has a medical condition, you will need to provide medication(s) along with the relevant completed action plan before your child can attend. Medication must be in the original packaging, clearly labelled with the child's name. The packaging must also clearly state the dosage and be within the expiry date. Additionally, you must complete a medication consent form filled out at your centre. Please note that without clearly labelled medication and consent form, children will be unable to attend the holiday program. Please allow time to process this when enrolling and booking.

By signing below, I acknowledge that I have completely read and fully understood the following terms & conditions:

- I have a current / I have attached a copy of the Big Childcare enrolment form (in addition to the holiday booking form) and understand that my child cannot attend, unless all the details in this form have been completed.
- I acknowledge that if my child is prescribed with any medication to be administered at the service, that it is provided to staff before attendance, along with a medical action plan, medication consent form and the risk minimisation and communication plans completed in consultation with the centre manager.
- I understand that full payment on statements emailed to me upon the conclusion of each week's Holiday Program will be payable in arrears the following Monday.
- I understand that no refunds, cancellations, or medical certificate-related cancellations will be accepted for my confirmed booking after close of business on the last day of term.
- I am aware that "On Tour" and "Super Base" days will be an additional cost to the Home Base Price, as outlined in the brochure, specific to my service.
- I give permission for my children to be taken outside of the education and care service for all "On Tour" activities I have authorised them to attend. Big Childcare determines means of travel; this is predominantly bus travel. Seatbelts may be provided and the requirement to wear them will be as per jurisdictional regulation.
- I acknowledge the ratio of educators to children will comply with Regulation 123, upholding the safety and supervision of children attendance.
- Proposed time away from the service will vary and is approximately between the hours of 8.30am to 3pm. Exact excursion departure and return times will be communicated closer to the excursion date.
- I am aware that excursion locations and/ proposed activities may be subject to change, and I will be notified via email/text when this happens. Excursion locations can be found on the Big Holiday Care website: [bigholidaycare.com](http://bigholidaycare.com)
- Risk assessments have been prepared in accordance with Regulation 101 and I am aware they are available to view at the service.
- I understand that further information regarding the description of the proposed destinations and/or activities to be undertaken are available in the holiday program brochure. I understand that risk assessments including but not limited to "On Tour" venues can be found on the parent table at the centre.
- I am aware that children are not allowed to make any purchases whilst on any excursion. I will not provide my children with extra money to spend unless specified by management.
- I understand my contact details may be provided to "On Tour" venues, this may include but not limited to ver indemnity.
- I am aware that extra bookings can be made during the school holiday program, subject to availability.
- I have read and agreed to further terms and conditions outlined in the enrolment form, see attached:

# Growing up Online

An educational & empowering session for Parents and carers, Susan's unparalleled knowledge leaves audiences shocked at the reality of the online world. It is a wake up call to even the most switched on parent and is delivered with Susan's famous 'no nonsense' approach. The session will cover the positive benefits of technology as well as what parents need to be aware of:

- ❖ **Reality & Risk.** The reality of the online world. It's not a matter of if – rather than when.
- ❖ **What are kids doing online.** Learn the latests apps and platforms your kids are either on, want to be on or are being told about at school. TikTok, Omegle, Discord, Yolo, Wink & more.
- ❖ **Online Grooming.** What is it and when/how does it occur? Preventative measures. What are the warning signs & what to do if you suspect this is happening to your child.
- ❖ **Cyberbullying.** What it is, where it happens, what it looks like, how to prevent and what to do if it occurs. Also the legal consequences and the possible criminal charges.
- ❖ **Sharing Nudes.** The taking and sending of explicit images. The social and emotional consequences as well as the Law and the serious issue of Sextortion..
- ❖ **Problematic Gaming.** How to manage digital devices in your home to avoid problems and what to do if/when they arise.
- ❖ **Exposure to damaging content.** Including online pornography & site that encourage suicide, self harm & eating disorders.
- ❖ **Top Tips**– how to assist the children in your care to stay safe online with rules, parental controls and restriction passcodes.
- ❖ **The session will conclude with time for questions.**

*What Susan doesn't know about Cybersafety is not worth knowing! She is absolutely brilliant and her presentations are dynamic and entertaining. She has the unique ability to connect with each audience from young people to adults.*

**(Dr Michael Carr-Gregg Adolescent Psychologist)**

*The best cybersafety talk I have ever seen! This is why I only choose to have Susan present. Our community deserves the best.*

**(Principal)**

*Susan McLean is Australia's foremost expert in the area of Cybersafety and young people. She was the first Victorian Police Officer appointed to a position involving Cybersafety and young people. Susan took her first report of cyberbullying in 1994 and since then she has conducted extensive research and has completed advanced training & tertiary studies in both the USA and UK and is a sought after presenter and advisor to Schools, elite sporting bodies such as the AFL, GP's, and both State and Federal Governments.*

*She has authored resources for the Victorian DET, writes and reviews school Policy, provides crisis management/advice to schools & national & international companies. A sought after media commentator for television, print and radio, she recently co-authored the NSW Govt. review into mobile phones in schools.*

*She is the most highly qualified & experienced presenter in Australia & is internationally renowned. Susan is a proud ambassador for Collective Shout. A published author, her book 'Sext's Texts & Selfies', is the definitive guide for parents, teachers and carers to help children stay safe online.*

Theodore rated it ★★★★★ 06 Apr 2025

Theodore had a fantastic time and definitely learned a lot. The coaching was great and really professional. A well organised clinic that we will definitely do again as soon as possible.

Shaun rated it ★★★★★ 02 Apr 2025 • Soccer Pro (U12's) - Point Cook

Shaun loved Soccer Pro. The teachers are very professional and the sessions are fun and impactful. Great learning and fun experience!

Ella rated it ★★★★★ 03 Apr 2025 • Soccer Pro Indoor (U12's) - Flemington

My daughter has loved Soccer Pro this term, giving her the confidence to join a team and play a season. Thanks to Matthew for making her weekly training sessions so effective and fun!
