Word of the Week—PATIENCE

Good afternoon Parents/Carers,

Another busy week with some lovely weather coming our way. The Year 3/4s have an Orienteering Day tomorrow and as the weather might be wet, please don't forget to bring along a raincoat, change of clothing and shoes.

The round up from our Spring Screening Spectacular Movie Night is over \$2500 which will all go towards the Gaga Pit, and sales for the Christmas Raffle are also moving along nicely. Tickets are \$2 each or 3 for \$5, available at the office. If you have any donations from employers, these need to be received by Friday 14th November. We will have at least 5 amazing prizes, 1st Prize is available for viewing at the office!

HALLOWEEN—Dress Up

If your child would like to dress up tomorrow please do, there will be 2 pumpkins having fun in the office, unfortunately not the year 3/4s due to their excursion.

2026 Book Packs

Tomorrow you will be receiving 2026 Book Pack Lists for your child/ren that include materials and stationery required for their learning. These Book Pack Lists also include recommended Voluntary Payments that significantly contribute to the school learning environment, and we would encourage families to please give what they can to these areas. Additionally, you may make payments to the office if you prefer.

Super Soccer Star

A HUGE Congratulations to Charlie K from 56D and the Moonee Ponds United Soccer Team.

The Shepparton Soccer Cup took place from October 24th–26th, drawing over 15,000 visitors, 5,000 players, and 385 teams from five states and New Zealand. In the Girls U10/11 division, there were 13 teams competing. Charlie's team played seven games across two days and finished strong with an impressive 2–0 win in the finals.

Moonee Ponds United U10/11 achieved the highest goal count in their age group with 20 goals scored and only 4 conceded over the two days, a fantastic result.—Well Done!!

Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.

5/6 PROBABILITY GAMES

In the last week, our Year 5/6 students have been designing their own probability games! These creative projects include elements of chance, allowing students to apply their learning as they conduct experiments, predict outcomes, and explore probability in a fun, hands-on way.

WHAT IS RECYCLING?

Recycling is the process of taking materials that would be thrown away and turning them into new products. Materials that can be recycled include: **paper, plastic, glass** and metal.

You can recycle plastic and glass bottles by collecting them and recycling them at container deposits for 10 cents per bottle.

STEPS ON HOW TO RECYCLE

Number 1: in CDS vic west app, search 'cans for khps under charities'

Number 2: click 'set as payout'

Number 3: scan cans as normal and move onto your day.

HOW TO RECYCLE

Collect: Collect plastic or glass bottles to recycle.

Sort: Sort your bottles by the type of material to recycle them properly.

Deposit: Deposit your bottles at a container deposit centre to receive money to donate.
