## Word of the Week—HAPPINESS

Dear Parents and Carers,

### Father's Day/Special Person's Day Stall – TOMORROW!

Don't forget to bring along a small amount of money so your children can purchase something from our Fathers Day/Special Person's Stall tomorrow. SRC members will once again be running the stall and helping students with their gift selection. Thank you to those students who have also been working with staff to produce some hand made items for our stall.

Wishing all of the Dad's, Father figures, Grandparents, Uncles, a very special day on Sunday.

### Art Show – 15<sup>th</sup>/16<sup>th</sup>/17<sup>th</sup> September – 3.15pm – 4.30pm

The end of term is rapidly approaching and so is our Art Show, which will be held after school on Monday, Tuesday, Wednesday of the last week of term. As well as the student's amazing artwork on display, we will also have special performances from our Wakakirri, VSSS, and F-2 students. There will be stalls showcasing the great work across the school that students participate in, such as our STEM, Gardening, Cooking and PE programs. Please see the attached flyer on page 2 for further details.

### NAPLAN Results

We have continued to perform well in our Year 3 Reading and Writing, achieving above similar schools and the State. We will continue to have a focus on Spelling, Grammar and Punctuation and Numeracy across the school. What has been pleasing, is that we have reduced the number of students requiring additional support in Numeracy.

### Spring Screening Spectacular!!

Please book your tickets via CompassTix: <https://compassstix.com/> and search for Spring Screening Spectacular!! Family tickets \$35 (inc. up to 4 primary school-aged children) and single tickets \$10, please see flyer on page 3.

*Keilor Heights Primary School acknowledges the Traditional Custodians of the land on which we meet and learn together, the Wurundjeri People of the Kulin Nation, and we recognise their enduring connection to the land, waters and culture.*

### Parent Opinion Survey

If you have not already completed the survey, we would really appreciate your feedback. The survey closes Friday, 19<sup>th</sup> September.

### HATS

It is that time of year when the UV rays are becoming more extreme and all students are now required to wear their broad brimmed school hat as of Monday 8<sup>th</sup> September. If students do not have their hat, they will be required to stay in a designated under cover area for their protection. It is also encouraged that students come to school with sunscreen on and have their own to re-apply before they go out at lunch time.

We have a limited supply of hats available at the office for purchase @ \$15 each.

### Junior Toilet Update

Yesterday I met with the architects and contractors who will be upgrading our junior toilets. Work will be starting on Monday 15<sup>th</sup> September! This is very exciting and I'm sure everyone will be more than happy to have some minor disruptions so that we can have fully refurbished new toilets. We are also lucky enough that there is some money available to paint and replace the flooring in the senior toilets. This work will be completed over the September holidays. The work area will be fenced off for safety and the staff carpark will be a shared space. Please remember that if your children attend Big Childcare that you do not park in the staff car park. This will especially be important as deliveries will be occurring before and after school.

Have a lovely weekend, Saturday looks like it will be a lovely day.

Victoria Graham
