CREATIVE COOKING

Term 4

Years 3/4 and 5/6

Our Year 3/4 and Year 5/6 cooking groups have had a fantastic term in the kitchen! After spending previous terms developing their independence and learning to follow recipes, students have continued to build their skills while exploring the fun and creative side of cooking.

This term, our young chefs have been busy bees, enthusiastically tackling a range of imaginative food challenges. From creating cars using bread rolls, carrot and cucumber wheels, toothpick axles, cheese slice seats and chicken nugget passengers, to making beautiful pasta flowers with corn kernel petals, students have discovered that food can be both delicious and fun!

Our Year 5/6 group also embraced the Halloween spirit, creating an exciting collection of spooky treats, including Oreo bats, coffin-inspired sandwiches, Halloween toasties perfect for dipping into pumpkin soup, biscuit witches' hats, Halloween cookies, pastry ghosts, carrot and cucumber ghosts.

Throughout the term, students have continued to strengthen their cooking skills, confidence and independence. Just as importantly, they have developed their social skills by working together, sharing ideas and supporting one another in the kitchen.

Each week, our enthusiastic cooks arrive ready to learn, create and get hands-on. Their willingness to try new things, take on tasks and work collaboratively has made cooking a wonderful opportunity for learning, laughter and creativity. We are incredibly proud of the progress they have made.

TERM 4 NEWSLETTER October 2026

Hi families! 😊

Last week, our main focus was Halloween Week, where the children enjoyed lots of fun and exciting activities, including colouring-in, making pipe-cleaner spiders and creating Halloween pumpkins using paper plates. 🎃👻

We also had our Soccer Incursion on Tuesday and enjoyed our Arts and Crafts Club on Thursday.

This week, we are looking forward to celebrating Diwali Week with lots of fun and creative activities! 🪔✨ Please also note that we will be closed on Tuesday for Melbourne Cup Day.

A friendly reminder to please book your children in through FullyBooked so we can confirm attendance numbers and plan our activities accordingly.

Please also remember to book your children into the upcoming Soccer Incursion days and Arts and Crafts Club sessions.

🌟 We Care Sticker Chart 🌟

We are also excited to introduce our We Care Sticker Chart, which encourages children to demonstrate kindness, respect and positive behaviour while supporting a great cause and raising donations for charity. ❤️

Every time a child demonstrates positive behaviour, makes good choices, follows instructions, shows kindness or helps others, they will earn a sticker on the chart.

At the end of the program, the child who collects the most stickers will receive a special prize! 🏆

We encourage all children to try their best, make positive choices and show care and respect towards their friends and educators. Remember, every little act of kindness makes a difference! 💕

Thank you for your continued support. We look forward to another fun-filled week with the children! 😊
